TRANSNATIONAL TRAINING AND COOPERATION ACTIVITIES

Lutz Siemer

PARTICIPATED IN A PROJECT

Digital Futures Seminar.

THE PROJECT TOOK PLACE FROM **04/04/2022**
TO **06/04/2022** IN **Online, Ireland.**

TRANSNATIONAL TRAINING AND COOPERATION ACTIVITIES

Transnational Training and Cooperation Activities foster the competence development of professionals in youth related fields. Through the projects, transnational cooperation is enhanced within the youth field as well as with the stakeholders of related sectors. The projects contribute to strengthening the role and quality of youth work and youth policy in Europe.

Erasmus+ is the European Union's programme for boosting skills and employability through activities organised in the field of education, training, youth, and sport. Youth activities under Erasmus+ aim to improve the key competences, skills and employability of young people, promote young people's active participation in the society, their social inclusion and well-being, and foster improvements in youth work and youth policy at local, national and international level.

Youthpass

With this document we certify that **Lutz Siemer** took part in a project called **Digital Futures Seminar**. It was a seminar. The project was hosted by **Leargas (Irish National Agency)**.

A seminar organised within the Erasmus+ Programme aims to provide a platform for discussion and exchange on the important issues in European youth work or youth policy. Supported by one or more facilitators and often also theoretical inputs, participants contribute to discussions about the development of youth work or youth policy, and exchange good practice on the chosen theme.

Altogether, **24** people from **Azerbaijan, Bosnia and Herzegovina, Finland, Georgia, Germany, Hungary, Iceland, Ireland, Italy, Lithuania, Poland, Portugal, Romania, Spain, Sweden, and Turkey** took part in the project.

The overall aim and specific objectives of the project:

This symposium aims to discuss the current context of digital youth work as an aftermath of Covid-19 and examining the new context of implementing digital youth work with young people. The event will focus on the digitalisation of the youth work sector and youth work practice, and the challenges and opportunities the youth work sector face.

Main contents and activities of the project:

Welcome Panel, Understanding Youth Work Panel, Organisational Digital Transformation, Digital Youth Work Challenges and Opportunities, Sharing Digital Youth Work Practices, Facilitating Youth Work Development, Sharing Development Plans Observation
